

## Welcome to Ooltewah Elementary

Hi and welcome to Ooltewah Elementary. We're so glad you're here!

If this is your first year at Ooltewah Elementary, I would like to extend a very warm welcome to you. If you are a "seasoned" Owl family, I know that you are as excited as we are to be adding your new little owl to our school family!

We hope that you will find it easy to reach out to us with any questions as you navigate your child's kindergarten year. We have set up a very active Facebook page that will keep you looped in on upcoming events, activities, and ways you can become involved in your child's success.

I encourage each and every one of you to become a part of our team. The number one reason to join the PTA is to benefit the children, but there are many more advantages:

- By becoming a PTA member, you'll be demonstrating to your child the importance you place on education.
- By volunteering with your PTA, you gain valuable experiences and personal confidence. It's an opportunity to put your skills and hobbies to good use, for a good cause.
- By getting involved, you'll be part of the solution, helping to make positive change.
- PTA functions provide opportunities to meet other parents and teachers.
- PTA is a forum for exchanging ideas; attend the PTA General meetings throughout the year to make suggestions and provide your input.

If you have any questions, ideas, or would like to help in any way, please feel free to contact me at any time.

Thank you and have a great year!!!
